Principal's Message

It is incredible how quickly June has arrived. Congratulations to all Parkhill- West Williams students, staff and families for working together to make learning the top priority in this caring, collaborative student-centered learning environment.

This month has been busy. A huge round of applause to our staff who ran an awesome Track and Field Day and to our most dedicated Home and School who ran our BBQ. It was a great day and it was so wonderful to see so many families come out to support our students. Congratulations to those athletes who moved onto the Regional Meet at SDCI, they did an amazing job representing our school and a huge shout out to those who represented PWW at the Valley Finals.

Thank you to the Parkhill School Council and Home and School for their hard work and support of our various school initiatives. We appreciate your time and continued support of our students, staff and families Your dedication to every student has provided us with memorable experiences like the Family Literacy night, bbqs and cake walk days. As a result, our students are enjoying extra resources in our learning commons, classrooms, and on the school yard. A special shout out to Mr. Keller for his design help with our new team jerseys.

To all our parent volunteers, we thank you for your willingness to help out at all our events and look forward to next year! Your enthusiasm and creativity has been infectious.

To our families that are leaving our school community, we wish you all the best. Thank you for sharing in our learning journey.

And to our amazing staff... a huge thank you to you for all your hard work and commitment to our students and families. Children flourish each day as they work together to learn with you and from you. Thanks for all you do!

Lastly, I would like to thank the students for making this school such an enjoyable place to learn. It has been a pleasure to watch your children take risks, celebrate successes and focus on next steps. You should be so proud of your efforts!

Best wishes for a safe and peaceful summer,

Marina Lee

Grade 8 Graduation

CONGRATULATIONS and BEST WISHES to our grade eight graduates! This is always such an exciting time of year as the students come to realize their hard work has paid off and they are now heading to secondary school to begin their high school career. We are so excited for you and look forward to celebrating your achievements.

Our Grade 8 Graduation will occur on Monday, June 24h at 5:30 p.m. It will be held here at Parkhill West Williams. Thanks to Ms. Kuipers and our Parent committee for all their efforts. Families of our grade 8 students are welcome to attend.

Welcome to Kindergarten

Kindergarten children who have registered for the 2024-2025 school year are invited to attend our last Welcome to Kindergarten session on Friday, June 14, 2024 from 2:45-3:15 pm. We will meet in the school library.

Library Learning Commons

Library Books

I can't believe that it is June! Where did the school year go? That means that it is time to return all library books to our L.L.C. too! Please help me to get all items collected as soon as possible. Check under those beds, behind the couches or maybe even under the dining room table!!! Thank you so much for your continued support with our Library Learning Commons and for encouraging a love of reading at home!

Makerspace

Our Makerspace Area is in need of some items to restock in time for next school year's learning! If you wish to donate any of the requested items below, please send them in to the school. We would be so grateful! We are looking for:

- Paper tubes (paper towel type)
- Craft items—like beads, feather, googly eyes etc.
- Fabric
- Felt
- Old magazines
- Mini glue sticks
- Tape
- Toothpicks
- Other items that you may think we could create and build with!

Public Library Visits

A representative from our local Public Library will be visiting our school on June 20th to tell us about the great summer reading programs that will be taking place! Be sure to check them out and keep reading this summer! Please contact the Public Library for more information if you are interested!

Until next time..... Happy Reading and Happy Summer!
Mrs. Hayter

Year End Canada Day Celebration

Our annual Canada Day Celebration is almost here! P.W.W. will be hosting an early Canada Day Celebration on Thursday, June 27th, from 12:00 - 1:30! There will be games and activities for everyone to enjoy, along with a food booth! There is no cost to the students for this, but we are currently seeking donations for prizes for this amazing and fun event! We welcome any new or gently used small items, such as toys, stuffed animals, small sports equipment, bubbles, etc. that our students would love to win!! We are also looking for volunteers, so if you are free or would like to help us celebrate, by helping with games or the food booth, please contact the school for more information. We appreciate your support!

Looking forward to celebrating the end of the school year and Canada's birthday! Come celebrate with us!
